WHAT'S IT ALL ABOUT?

Sounds Good Easter Camp is a fun, open environment for children to explore music. Every child loves music, and we believe that every child has the potential to sing and to express themselves musically.

- Learn from our fantastic team!
- Try out different instruments!
- Start your own band!
- Write your own songs!
- Use your whole body as an instrument!
- Play lots of musical games!
- Learn how to improve your voice!
- Overcome stage fright!

At the Easter Camp, we play musical games, try out different instruments, learn fun new songs, and encourage children to take an active interest in music and singing. No previous experience is required! All we ask for is enthusiasm and a willingness to learn.

During the week, the children will learn how to sing in harmony, and how to understand the basics of musical notation. This is taught through group activities and musical games. Everything we do has an educational goal, which is fulfilled through fun activities. Music, after all, is something you *play*. The camp ends with a concert in which the children can show what they've learned to their friends and family.

Our team of music educators are professional, qualified, and experienced tutors. They are passionate about providing children with fun-filled music education. Each camp will be staffed by three teachers, all of whom are specialists in various aspects of music. Our teachers are carefully chosen to provide the camp with the widest range of possibilities, from multi-instrumentalists to conductors, choral singers to operatic soloists. The camp enriches children of all ages with the love of music.

"Thank you for organising a brilliant camp! Kaifina had a great time and learned a lot in such a short time!"

"Michael and Zach have been singing the songs nonstop at home. Very happy kiddies!"

"Alessia absolutely loved the camp! Would definitely recommend."
